

Study in Montréal:

step-by-step

1

Choose one (or several) program(s) in one (or several) educational institution(s) of Greater Montréal

2

Prepare your admission file and submit your applications before the institutions' deadlines

3

Apply for a Québec Acceptance Certificate (CAQ) for studies*, after receiving the acceptance letter from your institution, to the Government of Québec

4

Apply for a study permit*, after obtaining your CAQ, to Immigration, Refugees and Citizenship Canada

5

Ask your institution about health and hospitalization insurance for the duration of your studies

6

Prepare for your departure: gather all travel documentation, find accommodation, and register for courses...

7

Arrive in Montréal

*Foreign students are required to hold a CAQ for studies and a study permit if studying more than 6 months in Canada
